From the Pastor's Heart

Evangelism is one of the strategies that will assist the church in becoming a healthier congregation and one that will please our Lord. Sunday, I began a five week sermon series on Soul Winning. God has commanded each of us who know him to share our faith. We are living in a city and state that needs the Lord. We may be religious, but many are lost. Our church family needs to make a commitment to reach out and develop relationships with someone who does not know the Lord. May I ask you and your family to prayerfully ask the Lord to assist you in discovering a family that you can seek to influence and lead to know the Lord.

September ushers in the month that we focus on our State Mission Offering. This offering is one that is specifically directed to meet needs in the state of Georgia. Our theme this year is "DAYSPRING: Moving from Darkness to Light." Our state is indeed in darkness and needs the glorious light of the gospel. The word Dayspring is a term from the scripture that refers to the coming Messiah. Indeed Jesus has come and He came to dispel the darkness. May I prayerfully encourage our church family to give faithfully to this offering so we can reach Georgia!

Our next Church Directory is in the making. May I ask every family to make this directory a success by participating by having your picture made. This is a wonderful tool that will assist us in getting to know our church family. Look for the letter in the mail that will provide additional information about the upcoming dates.

May I make one last appeal to those within our church family that have not turned in your Every Member in Ministry volunteer forms. Please turn those into the church office this week. We want you to find joy in using your spiritual gift as your serve. We can do so much more as a church when all of us are using the gifts that God has entrusted to us.

Awana begins today. May I appeal to our parents and grandparents to please bring your children to Awana. This begins at 4:25 this afternoon in the fellowship hall. Let's make this a great year of learning and growing in God's grace.

May the Lord bless and keep you today. May God's grace guide you and keep you each day.
