From the Pastor's Heart

Today in worship, we are giving special recognition to our 2020 graduating class. This is our COVID-19 graduating class. No one in his wildest imagination would have seen this pandemic coming and altering the 2020 school year. We are going to make the best of the situation. We are grateful today for Arlene Dang, Chloe Enfinger, Alexis Hines, and Timothy McLoughlin as they receive their diplomas and prepare to take their next step to college or to their respective careers. Please pray for these four young adults as they face different challenges than those of other graduating classes as our nation is still dealing with the pandemic.

May I ask the church family to please pray for our leadership over the course of the coming weeks. Plans are being made, and implementation is underway to begin to open the church again for worship and Sunday School soon. I know that this summer is going to be different from any other. We are going to need to adjust our calendars and make plans that will be beneficial for our entire church family. So, one thing that I ask the church family to do, besides pray and be patient, is to prepare for some things to be different.

Each family and individual has thoughts, feelings, emotions, expectations, fears, anxieties, and ideas that will influence what they do in going forward during the pandemic. This is one of the reasons that I am going to provide the listening session on Sunday night, May 24, at 6:00. We have provided these opportunities in the past to inform the church, answer questions, and solicit thoughts and ideas in dealing with special needs. The best-case scenario is for the church family to email or call the church office and provide the questions beforehand. However, we will attempt to answer any questions that night that may be emailed to the church during the live stream.

May the Lord bless and keep us all as we pray and move forward. Jesus is coming, and we need to prepare our hearts and the hearts of those around us for that great day. Even so, come quickly, Lord Jesus.

Grace to all,

2) set up "bill pay" through your bank, and the bank will mail it from your account.

3) bring it to the church office during normal office hours, and leave it in the mailbox. The mailbox will be emptied each day. Call inside and someone will immediately come remove it.

A Successful Journey in Life
Proverbs 8:32-36
May 17, 2020

The book of Proverbs is one of the richest books in the Bible.

The writer of Proverbs presents wisdom as the one virtue to attain that will influence all of life.

Wisdom was the skill of living a godly life as God designed one to live.

The author introduces the pursuit of wisdom as a father who encourages, pleads, and challenges his children to pursue wisdom with all their might.

Today, we honor our high school graduates who have completed one leg of their journey of life.

What can you do that will guarantee a successful journey in life?

1. **Fear** your God (1:7; 9:10).

2. **Guard** your heart (4:23; 3:5-6).

3. **Choose** your companions (1:10, 14-15).

4. **Control** your desires (5:21-22; 7:24-27).
