From the Pastor's Heart

Welcome to worship. Whether you are member or guest, our prayer today is that each one will meet the Lord in worship. The Psalmist reminds us to praise the Lord in every season of our life. Our desire today, therefore, is that we might praise the Lord and exalt Him in this time of worship. So, as you come into worship, please join us in prayer and ask for God's presence to be real today.

Sunday's schedule change went well. We had our organizational meetings for the small groups, and we have seven (7) small groups set up and ready to start meeting the week of February 14. May I commend our church family for responding to the small group initiative. If someone would like to become part of one of the small groups, please make that commitment today. Also, I would like to thank Wayne Ragan and his team for leading the small group preparation. They have done a commendable job.

The Church Pictorial Directory is here and available. Please come by the church office or see Matthew to receive yours. I very much appreciate all the hard work that Matthew put forth to get this done. Also, thank you volunteers for your assistance in this demanding assignment. God bless you.

"Partnering with the Pastor" is an endeavor to minister to and touch four different groups of people in the ministry of our church. The Pastor's desire was to touch different families and seek to impact our community in some way. May I say thank you to each one who volunteered to adopt a Nursing Home and Home bound family. May I encourage you to minister to them and reach out to them in every way throughout this month. However, due to the busy-ness of our church family and the beginning of the small group initiative, I am suspending "Partnering with the Pastor" for the rest of the month as it relates to our Inactive Church Members and our Community. Please know that my desire was to help us be focused in touching people's lives. When people appeal to me about the busy-ness of their lives, I want to respond to this appeal. I surely do not want to do anything that is going to negatively influence our small groups.

The Jubilee is March 22 at 10:30. We have the privilege of having our twentieth anniversary and having the Kempter family back with us. Please get your tickets for our lunch time together.

I love you all and thank the Lord for this dear fellowship. Please continue to pray for the Personnel Team as they prayerfully seek to fill our Minister of Music and Senior Adult Staff position.
