From the Pastor's Heart

Worship was somewhat different last Sunday. And this confirms for us that it really does not matter whether one worships in the woods, in a building of beauty, or in a fellowship hall. As long as the Lord is present and His people available, God will be honored, and the church will worship. I appreciate the hard work of everyone who made the turn-around possible. There will be some wrinkles to work out, but we all need to remember that this is temporary. God bless you!

Please pray for our building contractor, Freeman and Associates, as they provide leadership to the renovation project this summer. Pray for the safety of each one who will be working, and ask the Lord to give each sub-contractor favor each week. Since these workers are going to be on our campus for weeks, let's all make an effort to reach out to them as our guests and minister to them while they are here. We don't need to distract them, but just love on them as you have opportunity.

Wednesday evening, June 7, began our summer schedule. We have some excellent studies for our preschoolers, children, students, and adults. Please take every opportunity to have your family here for these studies. Make Wednesday night at Beallwood the place to be during the summer months. We will begin at 6:00 and conclude about 7:15.

The Mexico Mission Team is making their preparations for July 22-29, 2017. Once again, we have a dedicated group going to share the Gospel, lead Vacation Bible Schools, train leadership, work on churches, build furniture, engage in prayer walks, distribute tracts, and love on people. The people who go pay a majority of the cost themselves. And often many in our church family like to contribute toward the construction costs and the work of this ministry in general. If you would like to make a donation toward construction expenses, please label your gift "Mexico Construction Team," and turn that into the church office.

Please remember to pray for our students who are in seventh - twelfth grades as they prepare to go to summer camp June 19-23. This is a great time of spiritual growth for all our students. Moreover, there are always some who will trust the Lord as their Savior. Please pray for Matthew as he makes final preparations for these students.

May the Lord bless and empower each of us. Please pray for me as we begin in a couple of weeks a study during Sunday Morning worship on spiritual gifts. As we prepare for our "Every Member in Ministry" commitments, I challenge each member to prayerfully and personally become engaged in one or more ministries in our church. I love you all and thank the Lord for each one of you.
