From the Pastor's Heart

We rejoice in the commitment to the Lord on Sunday of Avery Taylor and Shelby Tripp. The Lord reminds us to rejoice that our names are written in Heaven. There is no greater commitment in life than when one comes to faith in Jesus Christ. As the journey begins for Avery and Shelby, we as a church want to be faithful to pray for them and to encourage them in their walk with the Lord. They will be engaged in the Student Ministry of our church, and we want to pray for Matthew as he seeks to nurture them in the faith. God bless you, Avery and Shelby.

Spiritual gifts have been given to each believer so that, through the body of Christ, we might make His glory known. As we begin our journey on Spiritual Gifts, may the Lord use His word to help each one in Beallwood become engaged in the service for our Lord! Each gift that God entrusts to us comes with a responsibility to serve and to use that gift to touch the lives of other people. When the church is united in her commitment to use her spiritual gifts to minister to people, the sky is the limit as to the impact that she can have on the Kingdom. That to me is the most exciting feature of the book of Acts. May the Lord empower us to be a body that is filled with the Spirit and one that uses its gifts to touch people's lives.

July will provide us many wonderful and rich moments in worship. May I remind the church family to remember Sunday evening, July 16, as we host Pastor Adrian Chester and the Greater Beallwood Family. This will be a splendid opportunity for our congregations to worship and share some very meaningful time together. Please remember to make every effort to be present for those times of worship.

The Mexico Mission Team is making their final preparations for the mission trip to Tapachula, Mexico, on July 22-29. May I encourage our church family to remember to pray for the mission team. Please pray specifically for the Vacation Bible School Team, the Construction Team, and the travel and general health of the team. Also, for those who would like to provide a financial gift to the Construction Team, please mark that contribution accordingly. Our Construction team will actually be doing more this year than in previous years, so your assistance will be greatly appreciated.

May the Lord empower us and send us into the world this week. May each one be salt and light in a city and country that need the Lord! God bless each of you. I love you in the Lord. Pray for one another.

Brother Billy
