From the Pastor's Heart

As I write this article, we are being inundated with severe weather. As if the virus were not enough, now we are dealing with rain, rain, and more rain. I do want to provide an update on what is developing and again assure our church family that we pray for you daily and long for the time when we can meet again.

At this writing, I know that we will be worshipping by livestream for the 26th of April. It is uncertain at this time, but more than likely we will still be worshipping via livestream for the first couple of weeks in May, perhaps for the entire month. As we move toward the time of being able to gather again, I want the church family to be aware that we are discussing what that first Sunday will look like. It will be different, as there are heightened anxieties and concerns about the health of our church family. Our facility is locked down at this time, and we will exercise every precaution to make sure that everything is clean and sanitized in preparation for that first Sunday.

As I have talked to many in our church family, one common question or conversation has been about the financial state of the church. May I say that things are excellent. The church family is faithfully supporting, every need is being met, and the budget situation is in great shape. We are blessed! I know that people in our congregation are unemployed and that we may not see at this writing the impact of that. But, still, the Lord is providing, and we are very close to meeting the budget goal for the month.

We all must be honest and say that there is no way of knowing how this is going to impact us personally as a congregation for the weeks and months to come. There are going to be some challenges. People are receiving unemployment benefits, but whether businesses that are closed now reopen and how long it may take for families and businesses to recover, may remain unknowns for weeks and months to follow.

I want to make the church family aware that we are postponing Vacation Bible School. At this time, there is no way that we can do the preparation that will be needed for June 8-12. Hopefully, we can soon plan a future date.

May the Lord bless and keep you and your family healthy. Pray for us as we daily pray for each of you.

Brother Billy

Suffering for the Glory of God!
1 Peter 4:12-19
April 26, 2020

Most of us have had the privilege of living in a time of unprecedented goodness and prosperity.

Yet, today we are facing a new reality – suffering.

This does not mean that others have not experienced suffering in life.

Jesus warned His followers that they would experience suffering in some manner in this life.

Peter sought to assist people in his day to develop a biblical view of suffering.

Today, I invite you to look at 1 Peter as we seek to discover how to deal with suffering that glorifies God.

Acknowledge the reality of suffering (vs. 12)

Have the right **attitude** in your suffering (vs. 13-14)

Assess the cause of your suffering (vs. 15-18)

Abide in the grace of God (vs. 19)
