From the Pastor's Heart

“Up from the grave He arose, with a mighty triumph o’er His foes...” are lyrics from the hymn, “Low in the Grave He Lay.” They also express my sentiment and my heart this Easter week and morning. Our Lord lives, and He has conquered sin, hell, Satan, and every foe that opposes the will of God. I’m grateful this Easter morning for the privilege of worshiping our risen and faithful Lord and Savior.

We are four weeks into the COVID-19 pandemic. No one would ever have convinced me that we would be where we are today. The deacons, staff, and I are praying for our church family. Please know that we think of you often and would much rather be with you in person on this Easter day.

The church needs to be aware that we are in the office, but the main entrance is closed at this time for safety and health concerns. You can still bring or mail your tithes/offerings to the church. If you want to come to the office and pick up any devotional materials or bring your tithes/offerings, you can call the office, and we will be glad to come to your car, or you can pick up or leave items in the mailbox.

Worship was meant to be primarily a corporate experience. Can we worship the Lord anywhere and anytime? Yes, absolutely, and that is not the issue. From the inception of our nation, the Church in America has had the privilege of open, unhindered, and unprecedented freedom to worship. That privilege has now been restricted and is being controlled by someone or something we cannot control. Though we have not been commanded by law, we have been encouraged not to gather in groups of more than ten, and this is becoming more of a challenge. The corporate worship experience is one of the greatest testimonies and expressions of our faith in the One and Only True God. God’s people are commanded in Scripture not to forsake the assembling of ourselves together. So, as much as it depends on me, I will seek willingly to follow the Biblical mandate to obey the authorities God has placed in leadership roles. Please pray for wisdom for these days. We are a people who are relational with our God and with each other. We not only need our Father, but also we need each other.

I want to express my deepest appreciation to the church family for how you have responded during March with giving. The Lord has met

our needs through your faithful giving, and April has started off in a great way. Please continue to do the great work. The times are going to impact all of us, and we want to be faithful to give so that the Gospel can continue to flow to every nation, tribe, and people.

Ways to Turn in Your Tithe

There are three ways you can turn in your tithe to the church during this unprecedented time.

1) mail it to the church:
Beallwood Baptist Church
4650 Veterans Parkway
Columbus, GA 31904

2) set up “bill pay” through your bank, and the bank will mail it from your account.

3) bring it to the church office during normal office hours, and leave it in the mailbox. The mailbox will be emptied each day. Call inside and someone will immediately come remove it.

**Easter Sunday
Response to the Resurrection!
John 20:1-25
April 12, 2020**

The Gospel of John was written to convince each one to believe.

Chapter upon chapter tells the story of the miracle-working Savior.

The miracles of Jesus were historically provided to authenticate His deity and to help people believe.

The greatest miracle was the resurrection of Jesus Christ.

Through the years, people have responded to the resurrection with scorn, ridicule, skepticism, fear, and unbelief.

Our response will always determine the course of our lives.

Let's examine the response of others to the resurrection.

Mary wept as she looked at the empty tomb.

Peter wondered as he examined the linen cloths.

John believed when he saw the grave clothes.

The disciples doubted and went to their homes.

Thomas touched the Lord and confessed Him as Lord.

Scripture Memorization:

"My soul melts from heaviness; Strengthen me according to Your word."

Psalm 119:28

Each One, Reach One - Who is Your One?
