From the Pastor's Heart

A special thank you to Amy Miles and the entire staff and faculty for Vacation Bible School. We had a great week, met some new friends, learned about the one true God, and enjoyed the time with our church family. We are grateful for the families and children who attended and for the good week that we all experienced. Thank you, Amy and faculty, for a job well done.

Today, we celebrate Father's Day. We are thankful for our fathers and their significant influence on our lives. I was reading in 1 Timothy 5 last week, and Paul was reminding Timothy of the role of the man of God and his influence in life. Fathers, our families, our churches, and our communities need men of God to lead them. Men, I want to challenge you today to pursue being the man of God that He desires you to be. Men, let's step to the plate and provide godly leadership for our children and for the church.

Sunday, we distributed a document that shares with our church family about our focus in August on revival. It is my hope that our church family will read the document and begin to pray and think about your life and your walk with the Lord. We will begin to pray on Wednesday nights in prayer meeting for the revival focus in August. July will provide us the opportunity to preach through 2 Chronicles 7:14 and begin to prepare our hearts for the Lord to work. The church in general today in America is in great need of revival. The Holy Spirit is grieved by what He sees taking place in the life of the church. She has lost her passion for the things of God, she is not sharing the Gospel, worldliness fills the life of so many, we have become distracted by the things of the world, and we have lost our power to live for God. The tragedy is that many don't know or recognize their spiritual state. It is time for us to seek the Lord and draw near to Him.

Just a reminder to our men in the church to please respond to the letter about deacon ministry. The church will continue the process of deacon election in July and August. May I encourage our men to prayerfully seek God's face and respond as they sense God's direction.

May the grace of our Lord and His presence guide us today. May I encourage our church to pray for one another and encourage one another as we walk with the Lord.

Brother Billy

Follow Jesus – The Consequences of Following Jesus
Luke 12:49-53

Following Jesus is the greatest challenge and yet the greatest blessing in this life.

The verses before us today often do not make sense to most 21st-century believers.

We, as followers of Jesus, have lived at a time and in a place that have known favor in many ways.

Jesus warns of a time when those who follow Him may be faced with difficulty.

What happens when you follow Jesus?

You embrace the _____ and live in its power.

You experience _____ and live-in peace.

You endure the _____ and live for the eternal.
