*From the Pastor's Heart*

Today as we gather for worship, I wonder what your expectations are. What do you want to see the Lord do today in your life and in the life of the Church? How would you like to see God move in our church? Today we will continue to look at the passage in 2 Chronicles 7:14 as we think about the path to revival. The Lord desires for His people to live in a manner that honors Him. When revival comes, it does restore the Church to her authentic and genuine love for the Lord. The power of the Holy Spirit comes on our lives in a new way, our hearts are more sensitive to the things of God, and we find ourselves very conscious of sin and the things that grieve our Father. My heart hungers for a work and move of God that will alter our lives and the Church. May we all cry out to God for revival in our lives and in Beallwood.

Our students have just returned from SuperWOW! This is a week-long camp designed to assist our students in their spiritual journey and to challenge them to live faithfully for the Lord. Please pray for our students as they seek to live out their faith each day. They all face a culture that does nothing to nurture a heart for God, or to encourage them to be morally pure, or to save themselves sexually for marriage, or to be godly young men or women. So please pray for their spiritual guidance, maturity, and families.

On Sunday morning, July 25, during the morning worship, the Nominating Team will be presenting their first report and recommendations for our administrative leadership for 2022. There will be an insert in the Beacon identifying those nominated. I am announcing this now so that we will meet the requirements of our Constitution and By-Laws for a called meeting of the church family. So please be present to vote on these recommendations during worship time on this date.

Please pray for the revival focus in August! Church family, I want to sincerely ask and urge us all to make this month a priority in praying for August. We need the Lord to prepare our preachers and our church. Please take time each day to ask the Lord to prepare every heart, and then trust the Lord to move in a defining way. I love each of you, I thank God for you, and I pray for the Lord to work in all our lives.

*Brother Billy*

The Path to Revival  
2 Chronicles 7:14

The people of God are the key to revival.

The Lord provides assurance to His people that, if they will respond to the challenge, then He will fulfill His promise.

The challenge that God's people face is "to turn from their wicked ways."

For us to experience repentance, we must have the spirit of the Psalmist in Psalm 139:23-24.

We will examine how the people of God must pursue the path of repentance to experience revival.

\_\_\_\_\_ is repentance?

\_\_\_\_\_ should the people of God repent?

\_\_\_\_\_ should the people of God repent?

\_\_\_\_\_ will repentance be evident?
