

Our Response to Christmas – Treasure and Reflect  
Luke 2:19

Luke as a historian provides us great insights into the birth of Christ.

Each personality responded in a different way to the birth of Jesus.

Christmas is a time for us to seek the Lord and to kneel in awe of Jesus.

But the mother of our Lord, Mary, may help us respond to Christmas in the most helpful way.

How can Mary’s response deepen our appreciation for Christmas?

She \_\_\_\_\_ on the message of the Lord.

She \_\_\_\_\_ to understand the will of God.

She \_\_\_\_\_ to the leadership of the Lord.

She \_\_\_\_\_ of the Lord.

She \_\_\_\_\_ the Lord Jesus!

Will you magnify Christ this Christmas?

*From the Pastor's Heart*

Christmas is a time of spiritual enrichment and reflection. Giving consideration and thought to the incarnation provides us all the opportunity to think about how Jesus' birth has intersected our lives and changed us. Our lives can be enriched spiritually as we meditate on how the birth of Jesus provides hope for each of us, the opportunity to be forgiven of our sin, and the privilege to have a personal relationship with Jesus Christ. Christmas gives us all the opportunity to think about where we have been and where we will travel in our relationship with the Lord in 2022. May Christmas be a time of new beginnings for all of us as we come to the end of 2021 and begin 2022. The shepherds left the place of the birth of Jesus, they returned home and continued to glorify and praise God. I pray that as we leave Christmas, and go about our everyday life, that we will deepen our worship and walk with the Lord in 1922.

Sunday Night Live for 2022 will begin January 9 at 5:00. Enrollment is taking place at this time, and some excellent small groups are being provided this year. May I encourage our church family to sign up and participate in one of the small groups that will strengthen your spiritual walk with the Lord. There is an enrollment sheet in the Beacon today with information about each class.

The faithful giving to the Lottie Moon International mission offering expresses our praise and thanks to the Lord. God bless to all that have given and will continue to give. As I mentioned to you in the last couple of weeks, I sensed in my prayer time with the Lord that we would reach our goal this year and for that I continue to praise and trust the Lord. I also began to pray and ask the Lord what our family should give. As I prayed, I began to ask the Lord for Him to do something extraordinary in and through the life of our church. So, I want to challenge our church family to join me in prayer and ask the Lord to do something that will be an extra-mile offering; something that will be abundantly, above all that we could think or ask.

As we move into 2022, we are going to attempt to get back on track as it relates to mission endeavors as an Acts 1:8 congregation. We are preparing to do a mission fair on Sunday, January 23, 2023. The purpose of this mission fair will be to educate our church family about the ways that we can go and share the gospel locally and globally in 2022. We have invited leadership from our Georgia Baptist Mission Board to come and share about opportunities we have as Georgia Baptists. Jimmy Blanton will share about how our church can become more engaged locally and help with a mission endeavor in North Georgia in the summer of 2022. We will be asking our church family to register because we will be providing lunch as part of the mission fair. Registration will begin on Sunday, January 2, 2022.

I love each of you and give thanks to the Lord for His faithfulness to all. May the Lord give you grace beyond measure this week.

*Brother Billy*
