From the Pastor's Heart

Today, I will preach on "A Call to Prayer." As the deacons and I have talked over the last few weeks, we have concluded that it is increasingly important for our church family to pray and seek God's face. We are about to enter some of the most crucial times for our church. I will be sharing a timeline this morning that will help us understand the times in which we are living. I don't know of anything that is more pressing than for us to prepare for the next twelve to eighteen months. So we are calling on the church family to come together at every opportunity to pray together and seek the face of the Lord. We will pray for the church on Sunday mornings during worship and on Wednesday nights. Additionally, we will make concerted efforts to pray and seek the face of the Lord.

As we all move toward the summer months, I want the church family to know that it is the sincere commitment of Melita and me to do everything we can to assist the church in preparing for her future and setting the table for success. We have many projects to work on which are designed to strengthen the church and prepare for 2023. This is why the "Call to Prayer" is so critical. Prayer is our greatest preparation challenge. We can meet, plan, prepare, work, and do many things in our own energy and power, but always with disappointing results. What is needed is God's mighty power. The greatest preparation that we can make is to pray and then pray some more. James said in the epistle of James, "You have not because you ask not..." May we all be faithful to pray for each other.

Vacation Bible School will be June 6-10 at 5:00 each evening. May I make an appeal to our church family to make every effort to have your children and grandchildren present. This is going to be a great week as we discover "Jesus from Eternity past to Eternity Future." We will be looking at the life of Jesus and how He can change our life. This study is critical for our children. Never have we needed to preach, teach, share, and present Jesus to our culture as we do today. Jesus is the only answer to life's greatest needs. Our greatest need is to be forgiven and restored. So let's all be prepared for a great week of Vacation Bible School.

May the Lord bless and keep you in His Word and in His will. Let us all faithfully follow Jesus this week as He leads us to love people, confront culture, and seek to be transformed by the renewing of our minds.

A Call to Prayer
Colossians 1:9-18

Prayer is our greatest opportunity and challenge.

We are reminded throughout the Bible of how prayer has influenced
God's people.

The call to prayer is a challenge to our church family to demonstrate our
faith in the Lord.

Today, we begin a journey that will provide our fellowship the opportunity
to tap into God's resources as we prepare for our future.

What can we learn from Paul as we answer the call to prayer?

The _____ for the call to prayer (vs. 9a).

The _____ to the call to prayer (vs. 9b).

The _____ in the call to prayer (vs. 9c-14).

The _____ of the call to prayer (vs. 15-18).
